****Please know that we stop meet & greets and adoptions 30 minutes before closing****

We rescue animals each day so if you don't see the companion for you, please keep checking! If you have any questions, please let me know.

Our pets and our team both look forward to seeing you soon!

No

Yes

Why do you wish to adopt a pet? *

I have always had at least one pet in my home. Growing up, a dog or cat (usually both) was always a part of our family. I have recently moved to Columbia to attend graduate school and my new home would not feel complete without a pet.

How long have you considered adding a pet to your family? *

1 year

How would you describe your lifestyle? *

Calm, homebody

Describe your ideal pet. (In addition, if you are interested in a particular pet at Pawmetto Lifeline, please give us his or her name.) *

I would prefer a sweet and friendly female cat, 1-3 years old preferable but I am open

Where will your adopted pet live? (Indoors, outdoors, etc.) Please explain in as much detail as possible. *

Indoors - my apartment is 2 bedrooms and I work from home

Are there any circumstances in which you might consider giving up your adopted pet? If so, please explain. *

No - The only situation in which I would consider giving up my adopted cat is if I was somehow incapacitated and no longer able to physically care for my cat. In that case, my parents would adopt her.

How much time are you willing to allot to allow your new pet to adjust to your home? *

However long she needs

Should something unexpectedly happen to you during the pet's life, do you have a care plan in place? *

Yes - My parents would take over my cat's care if something were to happen to me rendering me unable to take care of her.

I/we agree should I ever need to move that I will do my best to choose a location that will accept my pets as I am making a commitment for life to this animal. *

Yes

I/we agree to allow you to visit my/our home by appointment as part of our application or follow-up process. *

Yes

All of the information I/we provided in this application is true and correct. If any of the information changes, I/we will advise Pawmetto Lifeline promptly. *
